We will not sell or give your name, address, or e-mail address to any third party. Winning depends on the contestant's skills. This is not a sweepstakes or drawing. Contestants who solve the original puzzle (approx 75-85% of the entries) will receive one more challenging FREE tiebreaker. Winners of this tiebreaker (approx 2-10% of the entries) are mailed prize checks approximately 5 weeks after receipt of this original entry. Winners may expect prizes up to \$700, with an average of \$25-\$75. Two CM Publications, Inc. employees judge the entries manually using a key.
